("Water Intelligence" or the "Company")

Directorate Change

Water Intelligence plc (AIM:WATR.L), the leading provider of precision, minimally-invasive leak detection and remediation solutions, is pleased to announce the appointment of John F. Weigold, IV as Non-Executive Director to the Board with immediate effect.

John is currently a senior client partner for Korn Ferry International in the firm's Industrial practice with a focus on aerospace, defence and security. He has more than 18 years' experience finding top-performing senior leadership talent. John also serves as a Rear Admiral in the U.S Navy as Reserve Deputy Commander for the U.S. Pacific Fleet.

Patrick DeSouza, Executive Chairman, commented: "Water Intelligence is growing rapidly and we have ambitious goals for 2017 and beyond. John's professional background in personnel management and leadership - organization, recruitment, training - will help take our Company to the next level. His range of skills will complement those of an already highly talented board. As an important added dimension, John grew up in his family's electrical contracting business in Greenwich, Connecticut and understands well the challenges and opportunities of our core American Leak franchise business. "
