

Water Intelligence plc

("Water Intelligence" or the "Company")

Transaction in Own Shares

Water Intelligence plc (AIM: WATR.L), a leading multinational provider of precision, minimally-invasive leak detection and remediation solutions for both potable and non-potable water, announces that on 19 March 2021, pursuant to the authority approved by shareholders at the Company's Annual General Meeting dated 29 July 2020, the Company purchased 1,000 ordinary shares of 1 penny each ("Ordinary Shares") at 616 pence (the "Transaction").

The Ordinary Shares which have been purchased will be held in treasury. Following the Transaction, the Company holds 3,500 Ordinary Shares in treasury. Therefore the total number of voting rights in the Company is 17,725,443 shares (divided into 15,525,443 Ordinary Shares not held in treasury, which are admitted to trading on AIM and entitle the holder to one vote per Ordinary Share; 2,200,000 B Ordinary Shares of 1 penny each which are not admitted to trading on AIM, but do still entitle the holder to one vote per ordinary share, but carry no economic rights) which may be used by shareholders as the denominator for the calculations by which they determine if they are required to notify their interest in, or a change to their interest in, the Company under the Financial Conduct Authority's Disclosure and Transparency Rules.
