Water Intelligence plc

("Water Intelligence" or the "Company" or the "Group")

Close of Bookbuild

Water Intelligence, a leading provider of minimally invasive leak detection and remediation services for both potable and non-potable water, announces that further to the announcement made earlier today, the Placing has now closed following strong institutional demand and the bookbuild has been successfully concluded.

A further announcement will be made in due course confirming final details of the Fundraising. Participants in the Fundraising will be contacted by the Bookrunners as soon as practicable to confirm their allocations.

It is expected that the trade date for the Placing will be today, 14 July 2021, and that the settlement date will occur on a T+3 basis, being 19 July 2021.

Save as otherwise defined, capitalised terms used in this announcement have the meanings given to them in the announcement released by the Company at 7.00 a.m. on 14 July 2021.
